or cancellation of the conference or any part thereof.

Complimentary Registrations

Complimentary tickets or registrations are non-transferable to individuals already registered as paying delegates. No refunds, credits, or cash alternatives shall be provided in respect of complimentary registrations.

Cancellation Policy

A refund of fifty percent (50%) of the registration fee will be granted where written notice of cancellation is received at least twenty-one (21) days prior to the commencement of the event.

A refund of twenty-five percent (25%) of the registration fee will be granted where written notice of cancellation is received at least fourteen (14) days prior to the commencement of the event.

No refunds shall be granted for cancellations received less than fourteen (14) days before the event.

Non-Attendance

Delegates who fail to attend the conference after the applicable cancellation deadline shall remain liable for one hundred percent (100%) of the invoiced registration fee.

Force Majeure

Any fees paid to DS Technology and Investment CC for participation in the conference or any official side event shall be non-refundable in the event of cancellation, postponement, or disruption caused by circumstances beyond the reasonable control of the Organiser, including but not limited to Acts of God, natural disasters, severe weather conditions, pandemics, epidemics, public health emergencies, civil unrest, government restrictions, war, terrorism, industrial action, or any other force majeure event.

Group and Corporate Registrations

Where an organisation, institution, government entity, or individual registers delegates and submits delegate names for attendance at the conference, any withdrawal, cancellation, substitution, or reduction in the number of delegates must be communicated in writing to the Organiser at least fourteen (14) days prior to the commencement of the event.

Failure to provide such written notice within the prescribed period shall result in the registered delegate(s) remaining liable for the full registration fee. This requirement is necessary because delegate numbers are confirmed in advance for venue arrangements, catering services, conference materials, delegate packs, seating allocations, security arrangements, certificates, and other logistical commitments based on the registration information provided.

Acceptance of Terms

Submission of a registration form, online registration, purchase order, or payment for attendance constitutes acceptance of these Terms and Conditions by the delegate and/or the registering organisation.
